Guideline Publications is the UK's leading publisher of modelling and hobby-related magazines. With a world-class portfolio of titles and an international Social Media presence, Guideline Publications has a dedicated readership that is constantly expanding into new areas.

Scale Aircraft Modelling is the UK's best-selling aviation modelling title, covering both modelling and aviation history.

Military Modelcraft International is similarly the UK's leading title, covering military vehicle modelling and reference.

Fantasy Figures International is the only UK magazine dedicated to fantasy and Sci-Fi modelling.

Toy Soldier Collector International is the first-choice magazine for collectors of toy and model figures of all shapes and sizes. Guideline Publications have recently acquired two railway titles: the long-established

British Railways Illustrated and **Railway Bylines**, catering to railways enthusiasts of all ages and covering the 'golden age' of British Railways.

BRILL

12 Issues Per Year

BRITISH RAILWAYS ILLUSTRATED, has a good helping of nostalgia with some humour thrown in; concentrates on the steam and early modernisation era of British Railways, 1948 to the 1970s (diesel and electric) but also features subjects and themes from the 1930s and the Second World War.

BYLINES

12 Issues Per Year

BYLINES in the title is very deliberate; homely branch lines serving villages and country towns, industrial lines serving mills, foundries, works, quarries, mines and ports, together with their often ancient locomotives and their correspondingly elderly and eccentric stock.
